Robert Fowler Pays the Penalty of then. the Laws on Earth for Violation of the Thirteenth Commandment.

[From the Union Local.] The penalty was paid by Fowler yestion. The time set had been between committed the deed the hours of twelve and two o'clock, mejority of 82 were against whiskey. | after 10 he was prepared inside of the jail for the scaffold, He walked brave- bio. ly up the steps and halted upon the

broad, with a nedge two feet high, lies against me; I can name them if it is necessary." After a short pduze The stock the railroad company several voices in the assembly called proposes to issue to this county and out: name them, yes name them all precinct, upon a favorable vote, will Fowler then repeated the names loud be worth something. It may be 50 enough to be heard by half the people asked Fewler if he had anything further to say, and were answered "no." A bill has been introduced in the They then asked him if he wished to road under a penalty of being fined to this he said yes. There being no \$200. After using passes during the minister present John E. Kelley, of entire session, it would be bad tast Henderson, a devoted member of the for the members to make such a law Roman Catholic church, made a neat statement that his church allowed its members to efficiate in cases where no minister was present. Mr. Kelley read the Litany of the Saints, in an over Fowler's head, and in an instant the trap was sprung and the doomed was fastened to the beam overhead. tray. utes, when the physicians in attend-

> FOWLER'S CONFESSION. MORGANFIELD JAIL, Apl 22, '86.

8:30 P, M. Two years ago Lyda Burnett and myself were sweethearts. She discarded me in 1884. Shortley afterwards

I married the widow Stanley, the ac. granted me; may God bless and rer. which ends June 30, 1886, there of Lyda Burnett. After my marriage, the revenues of the Gevernment, as about to break up the peace of my recompared with the same poriod last lations with my wife by tantalizing year. The expenditures were over me in every crowd she caught me in. Lyda Burdett will logive include the logical me in logical \$16,000,000 less than for the same peri- This went on for twelve or eighteen od in the preceding year, making a months, when I began to hate her; she kept up teasing me until I made up Unquestionably there are men now my mind to destroy he; my purpose for the railroad subscription who on Thursday in going into the Cole. were opposed to it at first glance. A man field was really to lock for my thorough investigation of the propesition and a clear understanding of all the details reveals the fact that nething is said about the right of way, the company agreeing to build the road described by me before my trial. I if a favorable vote is given on the pros then left the tree and went into the position. The sum is not \$50,000 but Coleman field and from there to the only \$40,000, just one-tenth of what road where I met Lida Burnett. I had Caldwell county subscribed. Let the not been on the big road and was not voters of Crittenden consider these seen by Harry Fellows nor by any one facts, and it will be seen that we are else. When Lyda B rnett came up not advocating an unreasonable meas she rode close to me and struck me twice with a switch in the tace, leaving a mark. I then grabbed her by According to the Auditor's report the neck and dragged her off of her there is \$2,022,823 worth of taxable horse. We scuilled down into the property in Crittenden county. The woods a short distance, she being on railroad proposition asks for sub- the ground, when I cut her throat scription of \$25,000 from the entire with the same knife exhibited in the county. To pay this amount at one trial, making two strokes in accomtime, in one year, would require a tax plishing my purpose. I immediately of \$1.25 on each \$100 worth of prop left the body and started in a trot for the regular Judges and not by the erty-a man having a farm valued at home, crossing the first fence about State' Just how faithful Sam has been vis. \$1000 would pay \$12.50 tax. Bear in where the blood was found. I washed to his promise the following paramind this rate would not run twenty my hands in the branch above the graph from the Courier-Journal coryears, nor 10 years, nor 5 years, but pool described in the trial, and from this rate of taxation would be just one there went home across the ridges. I year. We learn that Caldwell county did not go down the branch as descripays 75 cents on the \$100 worth of bed by the witnesses, but made the property every year. Crittenden, at tracks there found on the Thursday this rate, would pay the \$25,000, to- before. I did not stop until I reached

my cornfield, where I cut a load of

duct affer reaching home was correct-Mr. W. D. Brantley, one of our most ly described by the witnesses. The clothes exhibited to the jury extensive stock traders, is enthusiastiwere the same I had on when I comcally for the railroad subscription and mitted the deed; I pulled them off that same thing. gives one good reason why the stock night and put the braches the next raisers, who are his customers, should morning in the smoke house; my wife be for the tax. He buys cattle and put away the sairt; I hung up the hat hoge, and has them delivered and weighed, either at his farm or at the else put it there. I went to bed but shipping points, which is at Princeton could not sleep-my mind prevented and points on the Ohio river. For mc. When John Gobin came for me year. - [Ex. those delivered at the shipping points he, pays one quarter of a cent; more to help search for Lyda Burnett, I agreed to go with him but Whitworth toan for those delivered at his house. which is some twelve miles from the river, and twenty or more miles from beling. When I saw the crowd com-Princeton. Thus it can readily be seen that with a shipping point at this ing the next day, I knew they were place the man who sells the stock saves coming after me. I knew three hours the quarter cent. or 25 cents on the before that they would come. I was then arrested, brought to the Morganhundred. This is no far-fetched argument; no course of reasoning ts re- field jail, the next day taken back to the Gobin school house for an examquired to make it clear. It is a trans. parent illustration and every man who ining trial, which I waved.
